Have you considered taking your students on a missions trip to Canton, Ohio?

Mission trips help students grow in their faith, build relationships with one another, and are beneficial to communities in need! Faith-forming experiences like these, which are a proven way to keep teens active in the church and growing in their walk with God, aren't just needed overseas.

Canton is located approximately 60 miles south of Cleveland, Ohio and is chiefly notable as home to the Pro Football Hall of Fame. It is the eighth largest city in Ohio and there are numerous outreach organizations that are eager for new volunteers to help serve our community, including:
