### ACADEMICS

- 150 G-MAC Academic All-Conference honorees in 2018-19
- 16 Academic All-Americans since 2013

# MALONE UNIVERSITY ATHLETICS FACILITIES

## **PIONEER PARK**

Construction is progressing on a multi-phase project that will transform the student experience at Malone. Pioneer Park will be a state-of-the-art outdoor space for recreation, club sports, intramurals, and intercollegiate practices and games. The planned facility provides for a baseball field, competition field, and practice field.

## **OSBORNE HALL**

Osborne Hall, built in 1960, is the on-campus site for all home Pioneer basketball and volleyball games. The gym floor was completely replaced in 2005 with entire new sub flooring and all new maple flooring. In 2012, the floor was re-surfaced and a new paint scheme was added, incorporating the NCAA logo. The gym seats approximately 1,200 and the east and west bleachers were updated in the mid 1990's.

## **TANNENHAUF GOLF CLUB**

The Pioneer men's and women's golf teams utilize Tannenhaus Golf Club in Alliance as its home course for practices and its annual invitationals in both the fall and spring. The family-owned golf course was built in 1959 and hosts two Ohio Public Links Championships each year in addition to several high school and college tournaments.

## **PIONEER SOFTBALL FIELD**

Malone's softball field was constructed on the University's campus prior to the program's inaugural season in 1992. The field is located on the northwest side of campus behind the Brehme Centennial Center.

## **C.T. BRANIN NATATORIUM**

The C.T. Branin Natatorium, owned by Canton City Schools and located just two miles from campus, is the home for Malone's Swimming and Diving teams.

## **MALONE TRACK & FIELD FACILITY**

An eight-lane all-weather track is located on the north side of the Malone campus and is used for Pioneer home meets, including AMC Championship meets (most recently held in 2008) and our annual Jack Hazen Opens.

## **BASEBALL**

While Malone prepares for its own new on-campus baseball stadium, the Pioneers will play home games at Jackson High School.

## **SOCCER**

While Malone prepares for its new on-campus soccer field at Pioneer Park, the Pioneers will play home games at Canton Central Catholic High School.
